

ANJA NAWANG S.R

Graphic Designer

About Me

I am a student who has an interest in working in the field of graphic design and 2D modeling. Those who are used to using CorelDraw, Canva and Adobe Photoshop applications. Disciplined, honest, and able to contribute both in a team and individually. Active and has extensive relationships in organizational activities at school and has experience as a Graphic Designer in organizations.

Experience

Graphic Design using Corel draw

- Designing for game covers
- Create colorful drawings of animals, human characters, and vehicles
- once designed a famous logo

Graphic design using Canva

- Designing posters for big holidays, has also designed banners for events, and designed official invitations according to predetermined themes
- Designing PPT for the needs of groups or teams in organizations and designing product packaging

3D designer using Blender

- Has created various media, objects and characters using a blender to animate them
- Get to know certain blender basics

Graphic Design using Adobe Photoshop

- Has designed covers for foreign films and animate the design
- Learn design basics such as crops, brushes, selection tools, and layers
